Call for travel grant applications for early career researchers (ECRs)

RegPep24 ECR conference travel grant | *Extended Deadline May 31, 2022*

This grant call is for all ECR IRPS members to support attendance at RegPep24 in Stirling, UK, August 1-5, 2022:

- The grant covers accommodation and full board for the four days of the conference (i.e., the “delegate package”)
- Eligibility:
  - for current members of IRPS, or those who join before deadline of this call;
  - applicant should be less than ten years from award of doctoral degree (M.D., Ph.D., D.V.M., Pharm. D. or equivalent) or currently enrolled in degree program
  - have submitted abstracts for RegPep24 as first authors and paid the corresponding conference registration fee
- Selections will be based on academic quality and will be considered in the order received. The number of awards will depend on available IRPS funds at the time.
- Apply through the RegPep.org website submitting your abstract as well as sending an email to the secretariat@irps-regpep.org, with subject "ECR travel grant application" and a short statement that you fulfill the eligibility criteria above mentioned.
