Call for ECR award application

IRPS Early Career Awards are for all early career researchers (ECR), IRPS members, to support attendance at RegPep26 March 23-28, 2027, in Beijing, China.

The award has a value of **600\$US**, in kind, which covers the accommodation package (6 nights of hotel in shared double room, breakfasts, lunches and coffee/tea breaks)

Eligibility: available to members who:

- are already paid up or have joined IRPS before the deadline of this call (biennial membership fee, 50\$ for pre-doctorate and 100\$ post doctorate).
- are currently graduate students or have not passed 10 years since PhD graduation
- have submitted abstracts as first authors
- have paid the corresponding registration fee: 100\$ US for pre-doctorate and 150\$US for post-doctorates

Selections will be based on academic quality, considering the IBRO/ALBA Declaration on Equity and Inclusion. The number of awards will depend on available IRPS funds at the time.

Submit your abstract to secretariat@irps-regpep.org, starting **August 1, 2026 through Nov. 15, 2026**, and copy your registration payment screenshot together with documentation of eligibility, with subject "Surname_ECR travel grant application". **Your application will be time-stamped and a priority list will be created based on the time-stamping of completed applications.**
